MOQs from 30 pieces • Worldwide shipping

WHO WE ARE

ABOUT FABRICORY

Fabricory is a custom apparel partner for teams, clubs, gyms and emerging brands. We manage the entire journey — design, fabric sourcing, production, quality control and export delivery — through vetted partner production units.

You get one point of contact from first quote to final delivery, low minimums that suit growing programs, and kit made exactly to your design — colours, logos, names and numbers.

WHY FABRICORY

- Your accountable apparel partner
- Vetted partner production units
- Full customization: sublimation, embroidery, tackle twill
- Low MOQs — from 30 pieces
- 6-stage quality control on every order
- Worldwide shipping via DHL / FedEx

No inflated claims. No stock photos of other people's factories.

Just honest manufacturing, managed end to end.

HOODIES & SWEATSHIRTS

FABRICORY • 2026 COLLECTION

Custom Hoodies • French Terry • Embroidery

HOODIES & SWEATSHIRTS

AW-01-101

Charcoal

AW-01-102

Sand / Beige

Heavyweight hoodies and sweatshirts built for training days and rest days alike. Cut from soft cotton-poly fleece and French terry (280-320 GSM, draft spec) with a brushed interior, each piece is fully customizable with your gym or brand identity. Ribbed cuffs and hem, kangaroo or zip pockets, and a structured hood that holds its shape.

MAIN FEATURES

- Cotton-poly fleece / French terry, 280-320 GSM (draft)
- Brushed interior, soft hand feel
- Custom embroidery, screen & puff print
- Ribbed cuffs, hem & structured hood
- Kangaroo pockets or full-zip options

JACKETS

AW-02-101

Black

AW-02-102

Navy

Training jackets that work from warm-up to street. Lightweight softshell, windbreaker and track styles (draft spec) with water-resistant finishes, shaped for movement and finished with your branding — embroidered chest mark, sleeve prints or full custom panels.

MAIN FEATURES

- Softshell & taslan shells (draft spec)
- Water-resistant finishes
- Full-zip, shaped for movement
- Embroidered chest mark option
- Custom linings & trims

Custom Tees • Ring-Spun Cotton • Prints

T-SHIRTS & TOPS

AW-03-101
White

AW-03-102
Black

Everyday tees and performance tops your members will actually wear. Soft ring-spun cotton and cotton-poly jerseys (160-180 GSM, draft spec) with a clean tailored fit, ready for your prints — bold chest graphics, sleeve hits or tonal embroidery.

MAIN FEATURES

- Ring-spun cotton & poly jersey, 160-180 GSM (draft)
- Tailored athletic fit
- Screen print, DTG-ready surfaces
- Tonal embroidery option
- Tagless or custom neck labels

TANK TOPS

AW-04-101
Black

AW-04-102
White

Gym tanks built to show the work. Breathable poly-spandex performance knits with deep-cut or classic armholes, a stay-put hem and sweat-wicking finish — your branding sublimated or printed exactly where you want it.

MAIN FEATURES

- Poly-spandex performance knit (draft spec)
- Deep-cut & classic armhole options
- Sweat-wicking finish
- Sublimation or screen print
- Stay-put athletic hem

FABRICORY • 2026 COLLECTION

Custom Leggings • 4-Way Stretch • Sublimation

LEGGINGS & TIGHTS

AW-05-101

Black

AW-05-102

Navy

High-performance leggings with true 4-way stretch. Squat-proof poly-spandex (220-260 GSM, draft spec) with a high waistband that stays put, flatlock seams and your patterns sublimated edge to edge — no fading, no transparency.

MAIN FEATURES

- Poly-spandex, 4-way stretch, 220-260 GSM (draft)
- Squat-proof, opaque knit
- High waistband, stays in place
- Flatlock seams, no chafe
- All-over sublimated patterns

JOGGERS & PANTS

AW-06-101

Black

AW-06-102

Grey

Joggers and training pants that bridge gym and street. Brushed-back cotton-poly fleece (280-320 GSM, draft spec) with tapered cuffs, drawcord waist and deep pockets — finished with embroidered or printed branding.

MAIN FEATURES

- Cotton-poly fleece, 280-320 GSM (draft)
- Brushed-back interior
- Tapered cuff, drawcord waist
- Deep side pockets
- Embroidery or print branding

CUSTOMIZATION & FABRICS

DECORATION METHODS

Full-Dye Sublimation

Unlimited colours dyed into the fabric — never cracks or fades.

Embroidery

Premium stitched crests and logos with a raised finish.

Tackle Twill

Pro-style sewn numbers and lettering for US sports.

Screen Print

Crisp single and multi-colour prints for bold graphics.

Heat Transfer

Sharp names, numbers and sponsor marks, built to last.

FABRICS

Cotton-Poly Fleece 280–320 GSM

Brushed heavyweight fleece for hoodies & joggers.

French Terry 280–320 GSM

Loopback knit — soft with structure.

Poly-Spandex 220–260 GSM

4-way stretch for leggings, shorts & tanks.

Ring-Spun Cotton 160–180 GSM

Soft everyday tees with a clean print surface.

CUSTOM LABELS & PACKAGING

- Woven neck labels & printed size tags with your brand
- Custom hang tags, stickers and tissue options
- Individual polybag packing, export cartons, sorted by size

Unlimited colours — any Pantone matched on request.

Standard specs shown — custom fabrics, sizing and MOQs available on request.

OUR PROCESS

From first sketch to final delivery — one point of contact.

01

Quote & Free Design Mockup

Send your idea or logo — our designers prepare a free mockup.

02

Mockup Approval

We refine the design until you approve every detail.

03

Sampling (~7 days)

A physical sample made to your approved mockup.

04

Bulk Production (2–4 weeks)

Your order produced to spec in our partner units.

05

6-Stage QC & Finishing

Checked at every stage, then finished and pressed.

06

Packing & Worldwide Shipping

Packed to your spec, shipped worldwide via DHL / FedEx.

Timelines shown are typical and confirmed with every quote.
