Custom Casual Wear • Delivered Worldwide

MOQs from 30 pieces • Worldwide shipping

WHO WE ARE

ABOUT FABRICORY

Fabricory is a custom apparel partner for casual wear labels, teams, clubs and emerging brands. We manage the entire journey — design, fabric sourcing, production, quality control and export delivery — through vetted partner production units.

You get one point of contact from first quote to final delivery, low minimums that suit growing labels, and pieces made exactly to your design — cuts, washes, graphics, embroidery and hardware.

WHY FABRICORY

- Your accountable apparel partner
- Vetted partner production units
- Full customization: washes, prints, embroidery, chenille
- Low MOQs — from 30 pieces
- 6-stage quality control on every order
- Worldwide shipping via DHL / FedEx

No inflated claims. No stock photos of other people's factories.

Just honest manufacturing, managed end to end.

CUSTOMIZATION & FABRICS

DECORATION METHODS

Screen Print

Bold single & multi-colour graphics.

Puff Print

Raised 3D texture for street graphics.

Embroidery

Premium stitched logos with a raised finish.

Chenille Patches

Varsity-style fuzzy lettering & crests.

Heat Transfer

Sharp names, numbers and sponsor marks.

Garment Wash & Dye

Enzyme, stone & acid washes, custom colours.

FABRICS

Heavyweight Jersey 220–260 GSM

Structured cotton jersey for boxy tees.

Brushed-Back Fleece 300–420 GSM

Dense fleece for sweatshirts & hoodies.

Cotton Ripstop

Durable weave for baggy cargo pants.

Stretch Denim

Mid-weight denim for washes & distressing.

CUSTOM LABELS & PACKAGING

- Woven neck labels & printed size tags with your brand
- Custom hang tags, stickers and tissue options
- Individual polybag packing, export cartons, sorted by size

Unlimited colours — any Pantone matched on request.

Standard specs shown — custom fabrics, sizing and MOQs available on request.

OUR PROCESS

From first sketch to final delivery — one point of contact.

01

Quote & Free Design Mockup

Send your idea or logo — our designers prepare a free mockup.

02

Mockup Approval

We refine the design until you approve every detail.

03

Sampling (~7 days)

A physical sample made to your approved mockup.

04

Bulk Production (2–4 weeks)

Your order produced to spec in our partner units.

05

6-Stage QC & Finishing

Checked at every stage, then finished and pressed.

06

Packing & Worldwide Shipping

Packed to your spec, shipped worldwide via DHL / FedEx.

Timelines shown are typical and confirmed with every quote.
