MOQs from 30 pieces • Worldwide shipping

WHO WE ARE

ABOUT FABRICORY

Fabricory is a custom apparel partner for teams, clubs, gyms and emerging brands. We manage the entire journey — design, fabric sourcing, production, quality control and export delivery — through vetted partner production units.

You get one point of contact from first quote to final delivery, low minimums that suit growing programs, and kit made exactly to your design — colours, logos, names and numbers.

WHY FABRICORY

- Your accountable apparel partner
- Vetted partner production units
- Full customization: sublimation, embroidery, tackle twill
- Low MOQs — from 30 pieces
- 6-stage quality control on every order
- Worldwide shipping via DHL / FedEx

No inflated claims. No stock photos of other people's factories.

Just honest manufacturing, managed end to end.

SOCCER UNIFORMS

FB-01-101
Red / Black

FB-01-102
White / Gold / Navy

Match-ready soccer kits built for the full 90 minutes. Cut from lightweight polyester interlock (160-180 GSM, draft spec) with a moisture-wicking finish, each set is fully sublimated in your club colours — crest, sponsor, names and numbers included. Jersey and shorts are tailored for an athletic fit with reinforced stitching at stress points.

MAIN FEATURES

- 100% polyester interlock, 160-180 GSM (draft)
- Full-dye sublimation — unlimited colours
- Moisture-wicking, quick-dry finish
- Reinforced stitching at stress points
- Custom crest, names & numbers included

CUSTOMIZATION & FABRICS

DECORATION METHODS

Full-Dye Sublimation

Unlimited colours dyed into the fabric — never cracks or fades.

Embroidery

Premium stitched crests and logos with a raised finish.

Tackle Twill

Pro-style sewn numbers and lettering for US sports.

Screen Print

Crisp single and multi-colour prints for bold graphics.

Heat Transfer

Sharp names, numbers and sponsor marks, built to last.

FABRICS

Polyester Interlock 160–180 GSM

Lightweight match-day fabric with a soft hand feel.

Dazzle 160 GSM

Breathable pin-hole knit, a basketball classic.

Air Mesh

Maximum ventilation panels for high-heat zones.

Poly-Spandex 200–220 GSM

4-way stretch performance blends that move with athletes.

CUSTOM LABELS & PACKAGING

- Woven neck labels & printed size tags with your brand
- Custom hang tags, stickers and tissue options
- Individual polybag packing, export cartons, sorted by size

Unlimited colours — any Pantone matched on request.

Standard specs shown — custom fabrics, sizing and MOQs available on request.

OUR PROCESS

From first sketch to final delivery — one point of contact.

01

Quote & Free Design Mockup

Send your idea or logo — our designers prepare a free mockup.

02

Mockup Approval

We refine the design until you approve every detail.

03

Sampling (~7 days)

A physical sample made to your approved mockup.

04

Bulk Production (2–4 weeks)

Your order produced to spec in our partner units.

05

6-Stage QC & Finishing

Checked at every stage, then finished and pressed.

06

Packing & Worldwide Shipping

Packed to your spec, shipped worldwide via DHL / FedEx.

Timelines shown are typical and confirmed with every quote.
